# PROJECT CARGO NETWORK MONTHLY NEWS

## ABOUT PCN

Established in 2010, the Project Cargo Network (PCN) brings together professionals in heavy lift and project cargo logistics through a structured global network governed by strict membership rules. PCN includes over 350 companies across more than 115 countries and operates in accordance with ISO 9001 and ISO 14001 standards. The network consistently maintains a high annual renewal rate of around 95%.

PCN also offers an online Heavy Lift training program that has been used by organisations such as DHL, Kuehne+Nagel, Bertling Logistics, DB Schenker, and DSV Panalpina, along with more than 1,000 worldwide companies. In 2025, PCN will mark its 15th Anniversary with a conference in London, scheduled for 26–28 October 2025, with record attendance anticipated.

# GO GAUGE LOGISTICS EXECUTE HEAVY LIFT PROJECT FROM ITALY TO INDIA

Go Gauge Logistics are pleased to announce the successful completion of another challenging **heavy lift project**, moving critical cargo from **Port Marghera, Italy to Mumbai, India**.

The cargo transported for this project included a 14-meter long **forging shaft of 99 tons**, along with two cases which weighed **72 MT each**.

Go Gauge Logistics covered a comprehensive scope of **end-to-end project management**:

- Chartering of a breakbulk vessel under full liner terms (hook-to-hook)
- Seamless arrangement of road permits and timely on-site packing
- Complete customs permit coordination for smooth cross-border movement
- Detailed lifting engineering, safe stowage, and secure lashing with custom cradles
- Expert on-site supervision for safe and efficient load out

The company pride themselves on delivering **complex heavy lift** and **oversized cargo projects on-time** and with utmost precision.

Their integrated solutions and **hands-on approach** ensure that every detail, from chartering to last-mile delivery, is expertly managed.

*"Trust us to move your world, one heavy lift at a time!"*

# DEDICATED PROFESSIONALISM & EXPERIENCE WITH SPECIAL AND HEAVY TRANSPORT EUROPE

We are pleased to welcome **Special and Heavy Transport Europe** as new members in **Spain**. Based in Barcelona, they are complete specialists in special transport! Their team of reliable and efficient professionals handle projects with **expertise, precision and strong industry knowledge**.

**Jose Maria Fernández** (General Manager) introduces the company; "At Special and Heavy Transport, we carry out the transport of special cargo and heavy loads of all kinds, providing **professional and reliable services** - we make it easy and secure!"

Our dynamic company has **extensive experience** and have been providing excellent services for over 20 years. Our highly qualified, motivated and professional team treat complex cargo with the attention it deserves.

With a large fleet for OOG transport, we also carry out port handling and chartering to meet all project shipping requirements. In addition, we conduct complete studies and planning to ensure safe and efficient handling."

"We fully dedicate all our professionalism and experience to heavy and oversized transport, whatever the cargo may be. We offer the most complete special transport services with **ideal, tailor-made solutions** for any challenging needs."

"It is our pleasure to be part of PCN and we will work hard to be a valuable partner for all the members."

Recent projects handled by Special and Heavy Transport Europe have included the power & energy, infrastructure and manufacturing sectors. Some photos of completed transports and deliveries are featured in the **gallery here** including large tonnage transformers and wind farms

# MONNARD TRANSPORT PRINTING PRESS FROM HAMBURG TO WISCONSIN

Monnard, PCN Members from **Germany**, are glad to report on a recent transport they completed from **Hamburg** to **Wisconsin**.

The cargo in this delivery involved a printing press weighing **60 tons**, measured to be **6.25 (L) x 4.05 (W) x 4.15 (H) meters**.

Monnard also handled the accessories for this shipment, travelling to the final destinations in **Oshkosh & Boscobel**, Wisconsin via **Baltimore**.

[Click here](#) to watch a video covering the transport process.

*"For 125 years, Monnard has participated in the increasing complexity of global logistics. We combine the professionalism of a modern logistics company with the virtue and values of a family enterprise."*

# FTL HANDLE OVERSIZED TRAILER SHIPMENT TO MADAGASCAR

FTL are pleased to share their movement of OOG cargo from **South Africa** to **Madagascar**.

This shipment included **14 oversized trailers** which were shipped from **Pretoria** to **Toliara**.

You can find an impressive showcase of the operations [here](#).

Thanks to the diligence and hard work of their team, FTL have received an enquiry for **21 additional trailers** this year.

*FTL was incorporated in 1994 and offer end-to-end project cargo and OOG transport services through professional teams with innovative and cost-effective multimodal solutions.*

# INDIA TO SOUTH EAST ASIA

## PROLOG INDIA COMPLETE HEAVY LIFT MOVEMENT TO SOUTH EAST ASIA

Prolog are pleased to share their recent success in the movement of over-dimensional and heavy lift cargo from India to South East Asia.

This project involved a single oversized and heavy package weighing **71 metric tons**, measuring **26.0 (L) x 4.0 (W) x 4.1 (H) meters**, with a total cargo volume of **422 FRT**.

The cargo's unusual dimensions and significant weight made this movement especially complex, demanding **meticulous pre-planning**, engineering insight, and **high-level coordination**.

Right from the point of cargo readiness at the manufacturing site, Prolog India's operations team conducted a **comprehensive site and route survey** to determine the safest and most feasible movement plan.

The cargo was **securely loaded** onto a breakbulk vessel, completing the most critical phase of the operation.

*"Coordination between the port, shipping line, and on-site engineers ensured timely vessel connection and secure stowage on board."*

## EZ LINK HANDLE CARNET SERVICE BETWEEN TAIWAN AND TORONTO

EZ Link are glad to share their recently handling of a carnet service between **Taichung, Taiwan and Toronto, Canada**.

The cargo dimensions measured **11.83 (L) x 2.63 (W) x 4.14 (H) meters** and weighed **39,768 kilograms**. This trailer was transferred from Toronto Port to **Keelung Port** via RO/RO vessel.

One 20' shipper-owned container was utilised between Toronto/Taichung Port via container service.

Additionally, EZ Link coordinated **648 kilograms of air cargo** between Toronto Airport and **Taoyuan Airport**.

The company **monitored all procedures** not only shipside, but also in visiting the final site to handle container load/de-loading and additional cargo stuffing on-site.

*"As per our client's feedback and the diligence of the EZ Link team, the clients in Canada were satisfied with our timely and reliable service."*

## NVOXPRESS SHARE COMPLETED PROJECTS IN FIRST QUARTER OF 2025

**NVOXPRESS** are pleased to share some of their recent successes in **project logistics** with a video showcase for the first quarter of this year.

The presentation includes **several projects**, including transports both **inland and ocean** to the following countries:

- Denmark
- Morocco
- Saudi Arabia
- New Zealand
- Australia
- Japan

*NVOXPRESS provides expert services in oversized cargo, RO/RO and special road freight with a knowledgeable, skilful and experienced team.*

## MARINETRANS AWARDED LOGISTICS CONTRACTS FOR FLNG PROJECTS

**Marinetrans** are pleased to share their recent awarding of a logistics contract for two floating liquefied natural gas **vessel construction projects**.

Under the agreement, Marinetrans will provide **comprehensive project logistics services**, including the transportation of critical components, large heavy-lift deliveries, supply chain coordination, and **on-site logistics support** worldwide.

These services will ensure the seamless execution of the FLNG vessel construction, a key development in global energy infrastructure.

**Reidar Evensen, Group Director** at Marinetrans, offered his comments on this occasion:

*"We are honored to be selected for these large projects. Our expertise in complex logistics and focus*

*on operational excellence ensure the timely and efficient construction of these state-of-the-art FLNG vessels."*

The project represents a **major milestone** in advancing offshore energy production and enhancing the global supply of liquefied natural gas (LNG).

**Vidar Olsen, Project Manager** at Marinetrans, emphasised the company's capability to take on the challenges of these large-scale projects:

*"Ensuring the smooth coordination of logistics for these FLNG vessels requires precision, industry expertise, and a highly dedicated team."*

As global demand for LNG continues to rise, the construction of these FLNG vessels is a **significant step** toward increasing production capacity and enabling more **flexible, sustainable energy solutions** worldwide.

# TOT ZIENS BREAKBULK EUROPE!

Rachel and Wendy from the PCN Head Office had a fantastic time connecting with our members at Breakbulk Europe — as well as meeting several impressive companies keen to join the PCN global family!

It was truly a pleasure to see so many of you at our meet-ups. Thank you for taking time out of your busy schedules to join us — see our [video](#)!

The gathering in Rotterdam provided the perfect backdrop for our network to **reconnect and strengthen ties** between **Annual Assemblies**.

Special congratulations to our competition winners, **Sea Cargo Air Cargo Logistics Inc (SCACLI)**, who maximized their prize booth and kept us smiling (and well-fed with SCACLI cookies!) throughout the event.

One highlight was meeting a new face from Protranster International Logistics - [click here to take a look!](#)

As for the photo below, we think this slogan sums it up best:
