# PÉREZ Y CÍA. GROUP

## Who we are

- ❖ **Pérez y Cía. Group** has led the maritime and logistics sector since its founding in **1853** by the great grandfather of present Pérez y Cía. Shareholders and top Group Management.
- ❖ We provide **global support services to the shipping and logistics sectors**, and we do this with professionalism, efficiency and respect for the environment at all levels of the supply chain.
- ❖ **Pérez y Cía.**, is the most important **Maritime Agency** in the entire Iberian Peninsula (**Spain and Portugal**), covering the main peninsular ports, the Canary Islands and the Balearic Islands and recently extended to **Morocco**. Also, reflecting on our international vocation since 1979, we started our expansion through **America**, having today one of the largest networks in **The Caribbean, Central and South America**.
- ❖ Our headquarters are located in **Madrid** and **Panama** and are supported by over **50 own offices** and strategically distributed throughout **Spain, Portugal, Morocco, the Caribbean, Central America and South America**. In this way we can plan and offer the best solutions.

## WHERE WE ARE

# PÉREZ Y CÍA

## Shipping Agency

- ❖ Pérez y Cía. has the largest network in Spain and Portugal. Reflecting its international vocation since 1979, Pérez y Cía. began its expansion through the Caribbean and Central America, and today it boasts one of the largest networks in the region, with offices in Colombia, Costa Rica, Peru, and Panama.
- ❖ Our headquarters are located in Madrid and Panama, supported by over 30 offices in Spain's main ports, 20 sub-agents operating in other Spanish ports, 13 company offices across the Americas and 6 in Morocco.
- ❖ Additionally, we maintain representation through external agents in Greece and Singapore.
- ❖ Finally, we provide global support services to the shipping and logistics sectors, upholding professionalism, efficiency, and respect for the environment at all levels of the supply chain.

## Liner Services

- ❖ In order to secure cargo for their vessels, shipowners place their trust in us to represent their lines in the countries where we are established. Our deep understanding of local markets, combined with an extensive network of connections, enables us to act as a reliable partner for shipping lines, ensuring efficient operations and seamless coordination.
- ❖ Our dedicated team is well-equipped to handle the most demanding requirements, leveraging their expertise to optimize every aspect of port operations. By minimizing time spent in port and ensuring smooth logistics processes, we help maximize our clients' profitability while maintaining the highest standards of service quality.

## Tramp Vessel Agency

- ❖ All the needs a ship may have are expertly managed by our dedicated Tramp Team, which ensures seamless support tailored to the specific requirements of each call. We are committed to delivering agile, safe, and sustainable call management solutions that align with the highest industry standards.
- ❖ Through efficient communication channels, close coordination among all involved parties, and the implementation of advanced digitalization processes, we optimize operations at every step. This approach translates into shorter transit times, reduced operational expenses, and a more efficient service for our clients, reinforcing our commitment to excellence and sustainability in tramp vessel operations.

## Chartering and Project Cargo

- ❖ The magnitude of each project varies greatly, but we treat them all under the same criteria: maximum commitment and dedication. No matter the size or complexity, we approach every project with a focused mindset and a determination to achieve excellence.
- ❖ Each project is unique, requiring personalized attention and tailored solutions. We take pride in offering cutting-edge solutions to global logistics problems, utilizing advanced technologies and innovative strategies. Our team of highly qualified professionals is exclusively dedicated to the success of each project, ensuring smooth operations from start to finish.
- ❖ Whether it's handling specialized cargo, managing complex routes, or securing the most efficient chartering options, we provide comprehensive support and a proactive approach to meet the demands of our clients. With a deep understanding of international logistics, we guarantee that each project, regardless of its scale, is executed with precision and the highest level of professionalism.
