1. INTRODUCTION

Integra Marine and Freight Services N.V. was founded in 1995 by Capt. Remy Vyzelman. From 1995 till 2015 IMFS was located at Havenlaan Zuid. In 2016 IMFS moved to a professional 6th floor building which is conveniently located near the Public Port, Container terminal and Customs. The company operates a bonded warehouse which is located on the premises of our office and offers the possibility to handle consolidated import cargo. IMFS represents and handle major shipping lines in the port. With our affiliated partner (IPS) we do the terminal operations for Containers / Breakbulk and Special project cargo. IMFS is also ISO 9001:2015, ISO 14001:2015 and OHSAS18001 certified.

1.1. Mission Statement

Integra Marine & Freight Services NV is constantly striving: To deliver the highest quality of Customer Service in an atmosphere of unquestioned ethics, individual pride, and company spirit otherwise known as the “Integra way”. This is achieved by meeting requirements and customer satisfaction.

1.2. Quality Statement

The Company is committed to comply with all statutory and regulatory requirements that apply to ship agency business, cargo handling and other port operations. It is striving to continually search for opportunities to improve both its systems and services, that are measured, and which will result in total customer satisfaction.
