SAN JOSÉ CITY TOUR

Starting on the East side of San Jose, the first thing we will see is the Democracy Place, the Courts, Los Yoses, the San Pedro Mall, the Hispanidad Fountain, and the Rodrigo Facio Campus at the University of Costa Rica. On the way back to San José downtown we will stop at the National Museum where we are going to make a stop and discover a wide variety of displays on the country's history and culture, from the pre-Columbian times all the way to the present. Afterwards, we will reach by foot the Pre-Columbian Gold Museum where we will have a guided visit through this cultural gem; once this visit is over we will visit the exterior of the beautiful National Theater. The tour continues to the western section of San Jose: La Sabana Metropolitan Park, the Costa Rican Contemporary Art Museum or the first International Airport in Costa Rica, the National Gymnasium, the Comptroller's office, the residential area of Rohrmoser, the Nunciature, the Nobel Peace prize winner Oscar Arias Sanchez's home, the Rohrmoser Boulevard and the Pavas section.
